

VEGETARIAN RESTAURANT IN MANHATTAN

Vegetarianism is growing

- People are more concerned about animals.
- People are more concerned about the enviroment and climate change.
- More people are becoming vegetarian every year, so there is interest in open restaurants to that public.

Data acquisition and cleaning

- Neighborhood data was obtained from https://cocl.us/new_york_dataset.
 - Restaurants data was obtained from API Foursquare.
 - We work only in Manhattan neighborhood.
 - The restaurants were grouped by type
- 
- A series of white lines of varying lengths and orientations are positioned in the bottom right corner of the slide, creating a modern, abstract graphic element.
